

HP Document Capture Solutions

Streamline your business, share information and maintain regulatory compliance with HP's document capture solutions.

Single-function capture hardware

HP Scanjet 7800 Scanner
Part # L1980A

HP Scanjet 7800 Scanner

Fast, powerful sheet-fed scanner for workgroup document management.

- 25 ppm, 50 ipm
- 50-page ADF plus card slot
- Up to 1200 dpi
- Complete document management software suite
 - HP Smart Document Scan Software
 - EMC Captiva ISIS and TWAIN drivers
 - Kofax SVRS image improvement software
 - ScanSoft PaperPort document management software
 - New Soft Biz card reader
 - IRIS ReadIRIS OCR software
 - Adobe Photoshop Elements

HP Scanjet 8350 – Part # L1961A
HP Scanjet 8390 – Part # L1962A

HP Scanjet 8350/8390 Scanner

Fast, powerful flatbed scanners, plus transparent media adapter for additional media-scanning flexibility.

- 25 ppm/50 ipm—HP Scanjet 8350
- 35 ppm/70 ipm—HP Scanjet 8390
- 100-page ADF
- Complete document management software suite
 - HP Smart Document Scan Software
 - EMC Captiva ISIS and TWAIN drivers
 - Kofax SVRS image improvement software
 - ScanSoft PaperPort document management software
 - New Soft Presto! PageManager document management software for Mac users
 - IRIS ReadIRIS OCR software
 - Adobe Photoshop Elements
- Integrated 4x9-inch TMA
- Up to 4800 dpi

HP 9200c Digital Sender
Part # Q5916A

HP 9200c Digital Sender

Share, archive and integrate paper documents into electronic workflows with a dedicated device.

- Color scan/digital send
- 47ipm black-and-white/30 ipm color scan
- 50-page ADF
- PDF, TIFF, MTIFF, JPEG file formats
- IRIS ReadIRIS OCR software
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

Multifunction capture hardware

HP LaserJet M3035 MFP

Empower workteams with print, copy, scan, fax and digital sending functionality in one convenient device.

- Print/copy/color scan/digital send/fax
- 35 ppm copy/print speed
- 50-page ADF
- Superior network connectivity and management
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP LaserJet M3035 MFP Part # CB414A
HP LaserJet M3035xs MFP Part # CB415A

HP LaserJet M4345 MFP

Raise the bar on efficiency and maximize productivity—this powerful, scalable and easy-to-use workgroup MFP combines print, copy, digital send and advanced paper handling into one cost-effective device.

- Print/copy/color scan/digital send/fax
- 45 ppm copy/print speed
- 50-page ADF
- Superior network connectivity and management
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP LaserJet M4345 MFP Part # CB425A
HP LaserJet M4345x MFP Part # CB426A
HP LaserJet M4345xs MFP Part # CB427A
HP LaserJet M4345xm MFP Part # CB428A

HP Color LaserJet 4730 MFP

Watch productivity soar with print, copy, scan and fax integrated in one reliable color multifunction machine that's affordable for every workgroup.

- Print/copy/color scan/digital send
- 30 ppm color print/copy speed
- No mono cost penalties—uses same mono toner as HP LaserJet 4345 MFP
- 50-page ADF
- Superior network connectivity and management
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP Color LaserJet 4730 MFP Part # Q7517A
HP Color LaserJet 4730x MFP Part # Q7518A
HP Color LaserJet 4730xs MFP Part # Q7519A
HP Color LaserJet 4730xm MFP Part # Q7520A

HP LaserJet M5035 MFP

This easy-to-use, wide-format MFP provides you with print, copy, scan, fax and multiple digital sending options from one reliable, cost-effective device.

- Print/copy/color scan/digital send/fax
- Handles letter, legal and 11x17 size documents
- 35 ppm copy/print speed
- 50-page ADF
- Superior network connectivity and management
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP LaserJet 5035 MFP Part # Q7829A
HP LaserJet 5035x MFP Part # Q7830A
HP LaserJet 5035xs MFP Part # Q7831A

HP LaserJet 9040/9050 MFP

Simplify your business processes with printing, copying, digital sending and faxing in one high-performance device.

- Print/copy/color scan/digital send/fax
- 40/50 ppm copy/print
- 100-sheet ADF
- Superior network connectivity and management
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP LaserJet 9040 MFP Part # Q3726A
HP LaserJet 9050 MFP Part # Q3728A

HP Color LaserJet 9500 MFP

Print, copy and scan to e-mail in color with finishing options and faxing for workgroups and departments.

- Color print/color copy/color fax/document finishing
- 24 ppm copy/print
- Automatic duplex printing
- Embedded LDAP and Kerberos network authentication
- Embedded send to network folder and e-mail

HP Color LaserJet 9500 MFP Part # Q3942A
HP LaserJet MFP Analog Fax Accessory 300 Part # Q3701A
HP Jeldirect 625n Gigabit Ethernet Print Server Part # J7960A
HP Jeldirect 620n Fast Ethernet Print Server Part # J7934A

HP Digital Sending Software 4.0

Incorporate paper documents into electronic business processes with HP Digital Sending Software (DSS) 4.0. Send documents quickly and securely to network folders, printers and fax services. Network user authentication at the MFP or digital sender front panel.

- LDAP
- NTLM
- Novell
- Kerberos network security

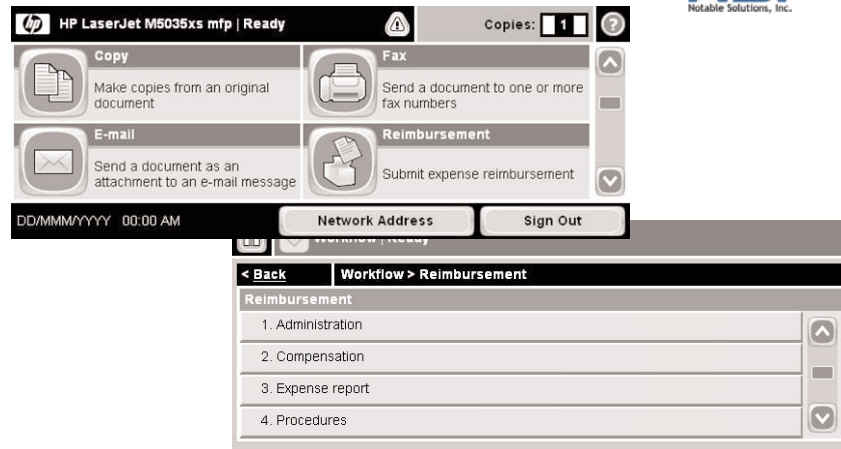

HP DSS 4.0 routes captured documents to

- E-mail
- Network file folder
- Fax
- LAN fax servers (Captaris, Biscom, Castelle, etc.)
- Printer
- FTP
- FileNet Capture Professional

HP Smart Document Scan Software

Get the most out of your scanner and maximize your productivity with the advanced software features of HP Smart Document Scan.

- Dedicated document management scanning software support via ISIS to various destinations including
 - PDF
 - TIFF
 - Microsoft® SharePoint Portal Server
- Simple design for ease of use and simplicity of task
- Simplifies scan settings and task workflows
 - Combines scan settings and/or tasks into one workflow task
 - Image quality and correction; e.g. resolution, color or black-and-white, plus integrated Kofax VRS image improvement software
 - Page adjustments; e.g. auto-crop, resize
 - Filing options—type and destination; e.g. PDF
 - Document adjustments; e.g. rotate or delete page
- Assigns names or profiles to the front-panel buttons/keys on the scanner
- Initiates profiles from the front-panel pre-set keys
- Comes standard with HP Scanjet 7800 and 8350/8390 Scanners

NSi AutoStore

Expand your digital sending capabilities with NSi AutoStore. Capture, process and route documents to file folders, LAN fax, databases and these content management devices:

- Documentum D5 and AX5
- Microsoft® SharePoint
- ODBC Databases
- Hyland OnBase
- OpenText
- Interwoven (iManage)
- IBM Lotus Notes
- Hummingbird
- Many other destinations

Processing options include

- Barcode recognition
- Forms recognition
- Image processing and correction

Optical character recognition, route modules and many other processing options are also included. See www.nsius.com for a full list of options and more information.

NSi AutoStore supports a wide variety of document processes and business applications to meet your needs. Tight integration with the HP MFP and HP Digital sender product lines means an easy-to-use, easy-to-implement solution for streamlining business workflows.

Go to www.nsius.com or talk to your HP contact for more information

Kofax Ascent Capture

Improve business workflow, productivity and get a powerful information-capture solution for your HP LaserJet MFPs, HP digital senders and HP Scanjet scanners with Ascent from Kofax. Transform your paper-based business systems into an efficient automated process that:

- Delivers information into business applications faster
- Reduces the costs of time-consuming paper processes
- Enables the consistent application of business rules
- Allows better reporting of information input to improve compliance and minimize risk

Kofax Ascent Capture is a comprehensive family of software applications and modules that:

- Provides a remarkably fast payback
- Offers solutions for many industries including state and local government, manufacturing, transportation, insurance, healthcare and accounting
- Enhances quality of every scanned image
- Extracts digital information
- Classifies the information for processing and routing
- Validates the information before delivering it into business systems and archives
- Uses modular architecture to support a wide variety of business requirements
- Reliably delivers information into more than 100 popular business applications, including systems from EMC Documentum, IBM FileNet, Interwoven and Open Text

Workgroups and departments can use the basic Kofax Ascent Capture application right out of the box to meet most information capture needs.

Large enterprises can extend Kofax Ascent with modules to capture information directly from remote offices into central business workflows.

Visit www.kofax.com for more information.

eCopy ScanStation OP and eCopy Desktop

Distribute and manage your scanned documents with eCopy ScanStation OP. Send scanned documents from your HP MFP or HP digital sender to desktop clients quickly and easily with eCopy Desktop.

Leverage your corporate network infrastructure and applications with eCopy to:

- Easily integrate with existing applications
- Speed communication of business information
- Dramatically decrease costs of traditional document distribution
- Integrate paper documents with compliance applications i.e., HIPAA, Sabanes-Oxley

Business benefits

- Integrate paper documents with your existing enterprise applications
- Capture paper information for easy electronic retrieval
- Send paper documents electronically and securely
- Authenticate password at the device
- Create paper audit trails
- Help fulfill security and compliance requirements
- Reflect unique user permission and preferences at copier
- Change file format, select document encryption, and select create searchable text right at the device
- Assist IT personnel with advanced tools
- Manage multiple devices from one central location
- Microsoft® Centric Admin Model via MMC
- Lower total cost of ownership
- Configure devices with unique department requirements

Visit www.ecopy.com for more information.

Omtool AccuRoute

Handle complex document distribution and routing requirements efficiently and cost-effectively. Omtool AccuRoute adds powerful document routing and processing capabilities to HP MFPs and HP Digital Senders.

AccuRoute allows users to accomplish multiple complex document routing tasks easily, while providing the company with increased control over security and compliance.

- Document routing engine
- Server-based software application
- Implements a "Capture-Process-Distribute" workflow

- Capture content from:
 - Hardcopy paper documents through scan or fax
 - Electronic documents from desktops and network sources
 - "Mixed-mode" combinations of paper and electronic
- Send to e-mail, fax print, network folder, SharePoint, DMS, RMS, CMS and LSS

Omtool features:

- Flexible and scalable to meet changing needs
- Cost-efficiently concentrates processing power into fewer servers
- Simultaneously supports multiple DMSs
- Easy installation and deployment
- Simple user interfaces
- Customizable document routing sheets
- Notification messages sent when saving documents to a DMS and on completion of routing tasks
- Billing feature available
- Conveniently share, store and reuse routing sheets

Visit www.omtool.com for more information.
